

## ***High School Online Learning Update***

Parents/Students,

First, I hope you and your family are safe and healthy as you read this information. Thank you so much for your patience and understanding as we continue to adjust our academic plan to meet the needs of our students. I am extremely appreciative of our students, parents, teachers, and staff for their positivity, flexibility and resilience during these trying times.

After receiving feedback from parents, students, and staff regarding our first three weeks of online learning, we have developed a few announcements that will be beneficial for everyone moving forward:

- **All classroom assignments will be posted by Monday morning each week.**
  - Assignments are available for all classes by visiting the following staff e-learning webpage: [9<sup>th</sup> – 12<sup>th</sup> E-learning Link](#)
- **All assignments are due by Thursday evenings at 12:00 a.m.**
  - Students have the week to meet with staff, ask questions, and complete assignments.
  - Students need to check their school email and google announcements classroom daily.
  - Students are expected to participate in a normal schedule via ZOOM on Tuesday each week.
  - Staff are available Monday thru Thursday by email and via ZOOM (video conferencing).
  - Students are expected to complete all assignments and meet class expectations. Online learning WILL count towards each student's 4<sup>th</sup> quarter grades.
  - On Friday afternoons, Mrs. Booze and I will contact the parents of any student with missing assignments.

The staff will assist students that need support as we continue online learning for the remainder of the semester. If you have any questions regarding online learning, please do not hesitate to contact me at [brad.mcdonald@k12.sd.us](mailto:brad.mcdonald@k12.sd.us)

One last note, I am extremely proud of the Tri-Valley staff for going above and beyond expectations for the benefit of our students! Teacher appreciation week is May 4<sup>th</sup>- May 8<sup>th</sup>. If you get a chance, please take a moment to thank your child's teachers.

Take Care,

Brad McDonald  
Tri-Valley High School Principal
