

## Breckenridge Community Schools

700 Wright Street  
Breckenridge, MI 48615

April 8, 2020

Hello to our Huskie Families,

We are navigating uncharted and ever changing times in education now and appreciate your support and understanding along the way.

You should be aware that Governor Whitmer canceled Face to Face Instruction for the remainder of this school year under Executive Order 2020-35.

We are expected to provide learning in different ways and we are up to the challenge. That creates other challenges based on resources, connectivity to the internet, age of children, availability of parents or persons to assist at home when needed and the transfer of materials when digital isn't available. We must practice the social distancing, hygiene standards and best practices to defeat Covid 19 so we may return to normal and healthy living for us all.

We sent out a *BCS Covid Family Support Survey* via our Facebook pages and it is available at [www.breckhuskies.org](http://www.breckhuskies.org) under Helpful Links as well. We NEED your input so we know how to reach your children. Please take a few minutes and complete that survey now if you haven't done so.

Our phase 1 part of the plan is to deploy materials (see additional letter and times for materials), submit our plan and continue to build those connections to the students next week. Engaging now will assist learning when we are fully implemented. Reach out to the teachers, let us know how we can help.

We are working on our plan and it has to be approved before we can begin, but we have some very eager educators who have been or are starting to reach out to their students to engage in some enrichment learning and activities to get students ready. Frankly, we miss the kids too!

Stay Healthy Huskies! We are Pack Strong!!!

We are In this together,

*Kimberly Thompson*

Superintendent
