

WAYNE COUNTY SCHOOL SYSTEM  
SCHOOL CLOSURE AND DISTANCE FEEDING PROGRAM  
ANNOUNCEMENTS

Parents & Guardians,

By executive order of Georgia Governor Bryan Kemp on April 1, 2020, all K-12 schools have been closed for the remainder of the 2019-2020 school year. Schools will continue to provide distance learning and teachers will be available to help you and your child throughout the remaining weeks of the school year.

Due to the previously-scheduled Spring Break for the week of April 6-10, the feeding sites will not be serving meals on Tuesday and Thursday. We will use this time to replenish our resources and to give our food service workers and volunteers a much-deserved rest. We would like to thank all of our community's faith-based organizations that will be assisting with providing meals during the next week. The school system will resume normal meal and work packet distributions at the feeding sites on Tuesday, April 14.
