Dear South San ISD Family,

We are dedicated to keeping you informed about the status of the school closures. Your children's safety is our top priority. Based on Governor Greg Abbott's Executive Order, South San ISD will remain closed for the remainder of the 2019-2020 school year.

We will continue with Distance Learning and providing healthy meal distributions for our students. Our staff continues to assess the needs that come with this Executive Order including graduation. We will release information in the coming days.

Please know that our South San family will get through this. We will persevere during this time and come back together stronger.

Sincerely,

Dolores Sendejo

Interim Superintendent
