

COVID-19 (Coronavirus Disease)

What is COVID-19?

Coronavirus disease 2019 (COVID-19) is a respiratory illness that spreads easily from person to person. It is more serious than other respiratory illness, like seasonal flu.

What are the symptoms?

Common symptoms:

Fever, dry cough, and shortness of breath

Less common symptoms:

gastrointestinal illness, nasal congestion, sore throat

Who is at risk?

Anyone can get COVID-19. Older adults and people with chronic health conditions, like heart disease, lung disease, or diabetes, are at higher risk of serious illness from COVID-19.

What should I do if I'm sick?

Stay home.

Call your healthcare provider.

Report your symptoms online at:
www.wycokck.org/COVID-19

What can I do to slow the spread of COVID-19?

Stay home as much as possible. Only leave for "essential" things, like getting food.

If you do have to leave home, keep distance between people (6 feet or more). Avoid gatherings of more than 10 people.

Practice good hygiene. Wash your hands or use hand sanitizer frequently. Cover your coughs and sneezes.

Unified Government Public Health Department
March 31, 2020

KANSAS

COVID-19: Stay-at-Home Order

Now through at least April 19, 2020

STAY HOME AS MUCH AS POSSIBLE.

Only leave home for "essential activities" or to work at "essential businesses." It's up to all of us to slow the spread of COVID-19 and protect our community.

Essential" activities and "essential" businesses support **health, safety, and basic needs**.

You may leave your home to...

Get groceries and meals

Get essential medical care

Pick up necessary medications

Get pet food and supplies

Get supplies or services to maintain a household

Go to a laundromat, dry cleaner, or other laundry service

Care for the elderly, minors, dependents, or people with disabilities

Get gas and repair services for your car

Obtain supplies necessary for working from home

Perform work providing essential services at an Essential Business

Engage in outdoor activity, such as walking, hiking, or running

Enforcement of the Stay at Home order

Individuals violating the order can get a \$500 fine

Businesses violating the order can get a \$500 fine for each day they are in violation

We hope community members and businesses will comply voluntarily in order to protect our community.

COVID-19 TESTING IN WYANDOTTE COUNTY

Who can be tested?

At least
100° F

- Must meet certain criteria
- People with a fever of at least 100° F may be eligible

Where is testing done?

- Sharon Lee Family Health Care: 913-396-7070
- Unified Government Public Health Department: wycokck.org/COVID-19 or 3-1-1
- Some additional community clinics and hospitals (call your doctor)

What should I do if I think I may have COVID-19 and may need to be tested?

1 Stay home

2 Report your symptoms

4 ways to report symptoms:

- Report online at wycokck.org/COVID-19
- Call 3-1-1
- Call the Sharon Lee Family Health Care hotline: 913-396-7070
- Call your regular health care provider

If you are eligible, you'll get scheduled for a testing appointment

Please note:

- Even if you don't qualify for testing, you may be asked to stay home and monitor your symptoms instead
- If symptoms worsen, contact your medical provider or a testing site again
- If you have severe shortness of breath, go to the emergency room (Call ahead!)

SEE IF YOU ARE ELIGIBLE! REPORT SYMPTOMS:

COVID-19 (Novel Coronavirus Disease)

Quarantine, Isolation, & the Stay-at-Home Order

Wyandotte County: What you need to do to help slow the spread of COVID-19

EVERYONE

We all should **stay home as much as possible**.

Only leave home for "essential activities" that support health, safety, and basic needs.

Stay at Home Order

The Stay at Home order is in effect until April 23, 2020.

PEOPLE WITH TRAVEL HISTORY OR CLOSE CONTACT WITH SOMEONE WHO HAS COVID-19

If you traveled to a place with COVID-19 (Check CDC travel notices: [cdc.gov/travel/notices](https://www.cdc.gov/travel/notices)), or
If you've had close contact with someone who tested positive for COVID-19

Quarantine

For 14 days, **stay at home** except to get necessary medical care. Monitor for symptoms. Call ahead before seeing a health care provider.

PEOPLE WITH SYMPTOMS OF COVID-19

Common symptoms:
fever, cough, shortness of breath

Less common symptoms:
gastrointestinal illness, nasal congestion, sore throat

Isolation

Stay at home (except to get necessary medical care) until you are symptom-free for 10 days.

If possible, stay in a separate room of your home away from other people and animals. If you need medical care, call ahead.

Report symptoms online!

COVID-19 & Religious Gatherings

in Wyandotte County

HOW TO KEEP PEOPLE SAFE

If possible, hold religious services remotely

online, radio, or other telecommunications

Parking lot services are okay if they follow this criteria:

Outdoors only

Don't use any indoor facilities

Stay in the car

Attendees must remain in their cars the entire time

Avoid passing around or sharing materials

Do not distribute or share anything like written materials or communion, or pass around things like collection plates or baskets

Avoid contact with people from different households

Each vehicle should only have people who share the same household

Don't linger

Attendees should arrive no more than 15 minutes early and leave immediately after

Only open windows on driver's side

Attendees may roll down the driver's side window(s) only (this helps with social distancing)

Religious organizations planning parking lot services are encouraged to let the Kansas City, Kansas Police Department know in advance by calling 913-225-4788
