## Wilson Creek Technology Take-Home Permission Form

The computer that your child is being issued is an educational tool and should be used in that capacity. Failure to comply with the Student Computer Acceptable Use Policy and these guidelines will result in loss of take-home privileges.

Before a student is granted permission to take their assigned technology device home, he/she and his/her parent or guardian must sign the attached permission form. This form may be filled out upon arrival, or emailed to our Technology Department at [nodorrizi@wilsoncreek.org](mailto:nodorrizi@wilsoncreek.org) prior.

Before the technology is assigned to a student, the parents or guardians must assume financial responsibility for the equipment by signing the attached Technology Agreement Form. The approximate replacement cost of the technology is \$300.

If the technology has a failure of an internal part, it is covered by a warranty and will be repaired at no cost. **If the technology assigned to your child is lost, stolen or damaged through negligence, vandalism, or failure to follow proper care guidelines, then you are responsible for the cost of repair or replacement.**

All technology is the property of the Wilson Creek School District. Wilson Creek reserves the right to demand the immediate return of the equipment at any time. The technology should only be used by the student who has signed the agreement.

I agree to the guidelines and procedures outlined on this form and agree to take full responsibility (including financial) for the laptop.

\_\_\_\_ I give permission for my child to sign out a technology device for use at home.
