

Child Care For First Responders and Essential Service Workers

Continuing Development Inc-Child Development Centers

All parents who are first responders or considered essential service workers.

Continuing Development Inc-Child Development Centers are available for current and new families that provide essential services in our community.

Please connect directly with your local site to determine availability and cost,- low cost/subsidized childcare is available at many locations For a list of sites and contact information go to www.cdcdc.org or call Stephanie Trejo (Site Supervisor) @ 209.832.5834.

Childcare For Health Care Workers, First Responders & MCS CSEA Nutrition Services Staff

Modesto City Schools would like to express our appreciation for our Health Care Providers, First Responders and MCS CSEA Nutrition Services staff by offering no-cost childcare during this stressful time while you are providing care for so many others and working long hours.

[If interested, register here.](#)

**COVID-19
