March 15, 2020 – 4:45pm Update

Colleagues and patrons,

We just finished another briefing with state officials. After our latest briefing it was strongly recommended that all schools in Kansas suspend school for the following week, March 16th-20th. Therefore, USD #333 will adhere to the recommendation and close school for the week of March 16th-20th. CAP will also be closed at this time. All activities and athletic practices will be cancelled next week. Also, any outside usage of USD 333 facilities will be cancelled for this week. To learn more about this recommendation visit www.ksde.org

Closing all Kansas schools at the same period of time provides all officials the chance to continue to address the latest medical research, help gather more information about the virus and hopefully help mitigate the spread of COVID-19 as well as flatten the curve. State-wide coordination efforts will continue to be developed during this time. The governor will also give an update tonight at 6:00pm.

Please help us adhere to the recommendations of the state. **Stay home as much as possible** and practice **social distancing**. Please try to avoid having additional trips, large gatherings, extra play dates, etc. This isn't an extra spring break, but a chance to help our community, state and nation flatten the curve and mitigate the spread of COVID-19.

Again, USD 333 will be closed Monday, March 16th-March 20th. We will continue to keep you updated as we learn more. Thank you for your continued support of USD #333.

Quentin Breese

USD 333 Superintendent
