

Menard ISD's Grading Policy During COVID-19

The Board determines that a temporary modification of Board Policy EIC (LOCAL) shall be implemented to allow calculation of grade point averages, for all purposes, using those grades available at the end of the fall semester. For Seniors, the final class rank for purposes of local graduation honors, top ten percent, academic honors, and class rank for the class of 2020 only, shall be determined using grades available at the time of calculation at the end of the Fall semester of the student's senior year. The measures described above shall not impact the District's ability to calculate class rank for purposes of admission to application to Texas institutions of higher education, as required by state law. Students in the graduating class of 2020, 2021, 2022, 2023, 2024 will not be assigned a semester grade for the 2020 Spring semester but receive a pass/fail for graduation purposes so it will not be figured in their GPA.

The Board determines that a temporary modification of Board Policy EIA (LOCAL) shall be implemented to allow a determination of "Pass" and "Fail" to serve in place of a numerical grade, and that this information shall be utilized by the grade placement committees for course credit and promotion. The final Spring semester grading period as pass/fail for the 2019-2020 school year.

The requirement of issuing grade reports under Board Policy EIA (LOCAL) is waived for the remainder of the year. You will not be see three week reports or a 5th six weeks report card.
