

## UNANTICIPATED SCHOOL CLOSURE FEEDING PROGRAM

These are the details of the meals provided for any student, 18 year of age and under, by Elk Rapids School District:

1. The two sites for pickup are Mill Creek Elementary and Cherryland Middle School. At Mill Creek it is by the garage door on the east side of building. At Cherryland Middle School it is on the west side of building, close to ball field, there will be orange cones out.
2. The days and times of pickup are: Monday thru Friday, 11am to 1pm. We can give out more than one days worth of meals. Usually no more than three days worth, ie: on Friday, picking up for the weekend.
3. Volunteers will be delivering meals on Tuesdays and Fridays. As much as you do not want to leave your house, volunteers do not want to either. Pickup is the best way to get the meals. If you need delivery, email me at [schoolmeals@erschools.com](mailto:schoolmeals@erschools.com), and we will figure it out.

4. Any child 18 and under is open to receive meals. We will give the meals to adults saying they are picking up for a child, if no child is present.
5. *This is not dependent on being a district student, any child is open to receive meals*
6. The meals follow the guidelines put forth by the USDA for nutritional content.
