AGENCIES

Existing but have
new programs that
can help

Bayshore Family Success Center is distributing Fulfill crisis food kits. Please call our main number 732.497.3811 to make an appointment for safe pick up and to discuss other needs you may have.

We will also be hosting an open distribution in our parking lot on Fridays from 11AM – 3PM while supplies last.

Monmouth County Division of Social Services administers the Supplemental Nutrition Assistance Program (SNAP). To apply call 732.431.6000

Fulfill is an agency that can also facilitate your SNAP application as well as provide local pantry information. Call 732.643.5888

Contact your **child's school** if they receive free or reduced cost lunch. Each school is disbursing lunch/food through different processes.

PROGRAMS

New programs
targeting to help

New Jersey has an online application and screening tool, [NJHelps](#), that can be used to see if you are eligible for food assistance (SNAP) or cash assistance (WFNJ/TANF or WFNJ/GA).

Lunch Break has been given an emergency fund to assist those impacted by the COVID-19 virus. Call 732.385.3971

HELPFUL HINTS

Pointers that may
help you connect or
improve process

SNAP: During the current public health crisis, your case will not be closed if you are unable to participate in a work activity. If your case is due to be recertified in March, April or May and you are unable to get your paperwork in or complete your interview, your case will not be closed. You will receive your benefits on the usual day. Your case has been granted a six-month extension from the date your recertification is due. More information will follow on your new recertification date. In the meantime, you will continue to receive SNAP benefits.
