March 16th, 2020

 As of Monday, March 16th, the Jefferson-Morgan School district will close for two weeks. During this time, we will provide students with instruction through our Flexible Instructional Day's (F.I.D.S.) format. Please see the attached schedule for the upcoming two weeks.

Our district will continue to actively monitor the situation with coronavirus and the recommendations from the CDC. This rapidly evolving health concern will present unique challenges, but we remain focused on prioritizing safety and ensuring quality communication with our community. We thank you for your continued support in keeping our students, staff, and communities safe.
