March 13, 2020

Dear Armada Area School Families,

The purpose of this letter is to provide you with an update on the Coronavirus (COVID-19) situation. Last night, the Governor's office announced she is ordering the closure of all K-12 school buildings, public, private, and boarding, to students starting Monday, March 16 until Sunday, April 5. For Armada Area Schools, we will be closed through Sunday, April 12 due to our scheduled spring break. Classes will resume Monday, April 13, 2020.

Today is our last day of the 2nd trimester. M.S. and H.S. families will be able to access their final grades later next week on PowerSchool. Elementary families will be provided with report cards after school resumes. Teachers will be providing education enhancement options for students while the district is closed.

While the district is closed:
- We will thoroughly clean and disinfect our buildings and buses.
- All buildings will be closed to students and the community.
- All student and staff travel is cancelled.
- All extracurricular activities are cancelled, including athletics.
- The MHSAA has not officially cancelled spring sports at this time, but there will be no athletic practices or competitions until further notice.
- All theatre and athletic banquets are cancelled.

This is a very difficult time for our country, but by being smart we will get through this crisis together. At this time, we are still waiting on additional information from the Governor's office. The end of our school year is June 10th, but that could change. This is a very dynamic situation and as information changes, we will keep you posted accordingly. If you have questions in the short term, I suggest contacting us by email to ensure a prompt response.

If you have any questions, ideas, or concerns, my door is usually open. For the next four weeks, you can reach me at mmusary@armadaschools.org. Thank you.

Sincerely,

Michael G. Musary, Ed.S.
Superintendent of Schools
